CITY	Proposition O	PROPOSAL TO CONTINUE SINKING FUND
JUDGE OF THE MUNICIPAL COURT Partial Term Ending 12/31/2011 Vote for not more than 1	OPERATING MILLAGE RENEWAL To renew the millage authorized in 2000, shall Wayne County be authorized to continue to levy this millage at the estimated 2008 rollback rate of 0.9529 (about 95 cents per \$1,000 of taxable valuation) for ten more years (2010 through 2019), and proceeds used to continue existing County services, including programs for arrest, detention and prosecution of criminals, juvenile court and related services, public health, recreation, County parks, job training, senior citizen services, and programs for meeting medical needs of the poor, the disabled, and the aged? This renewal is projected to generate \$43,495,573 in 2010.	Shall The Grosse Pointe Public School System, County of Wayne, Michigan, be authorized to levy 1.00 mill (\$1.00 per \$1,000 of taxable valuation), of which 0.9738 mill constitutes a renewal of that portion of a 1 mill authorization which expires with the 2009 levy as reduced by the operation of the Headlee amendment, and 0.0262 mill constitutes new additional millage in the amount equal to the amount reduced by operation of the Headlee amendment, to create a sinking fund for the purpose of the construction or repair of school buildings and the improvement and development of sites and, to the extent permitted by law, the acquisition and installation of furnishings and equipment, by increasing the limitation on the amount of taxes which may be imposed on taxable property in the School District for a period of five (5) years, being the years 2010 to 2014, inclusive? It is estimated that 1.00 mill (\$1.00 per \$1,000 of taxable valuation) would raise approximately \$2,986,000 in the first year that it is levied.

Gregory L. Ulrich <input type="radio"/>	PROPOSAL TO CONTINUE OPERATING MILLAGE	
Lisa Pinkos Howle <input type="radio"/>	This proposal would authorize The Grosse Pointe Public School System to continue to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy and would restrict the levy on principal residences (owner occupied homes) to no more than 8.0784 mills. This authorization would replace three separate authorizations totaling 19.0 mills which expire with the School District's 2009 tax levy and would allow the School District to continue to levy the statutory limit of 18 mills on non-homestead (principally industrial and commercial real property and residential rental) property in the event of future Headlee rollbacks of up to one mill. Under existing law the School District would levy only that portion of the mills on property, including principal residences, necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State.
